### Neomounts Universal Projector Ceiling Mount - Black

The Neomounts projector ceiling mount, model NM-BC25BLACK is a universal tilt-, swivel and/or rotatable ceiling mount for projectors up to 25 kilograms. This mount is a great choice for an optimal viewing experience. This versatile, ready to install mount, offers the convenience of installation to the ceiling without the need of additional accessories.

Neomounts versatile tilt (20°), rotate and/or swivel (360°) technology allows the mount to change to any viewing angle to fully benefit from the capabilities of the projector. The mount has a fixed height of 13,5 centimetres.

Neomounts NM-BC25BLACK has two pivot points and is suitable for most projectors. The weight capacity of this product is 25 kilograms and fits latest generation heavy projectors. This universal ceiling mount is easy to install and suitable for projectors using the mounting holes on the bottom side of the projector. The legs included with this mount, cover most projector hole patterns. The quick release function of the bracket offers safe storage of expensive projectors which results in decrease of theft.

Projector mounts are ideal for use in offices, schools, hospitals or at home.

All installation material is included with the product.
