Neomounts AV35-726BL1 TV mount for Sonos Ray - easy installation - TV-attached design - black

The Neomounts AV35-724BL1 TV mount, engineered for the Sonos Ray soundbar, seamlessly integrates your audio directly with your display for a clean, unified aesthetic. Because the soundbar is attached directly to your television, it moves synchronously with your screen when you use a full-motion or swivel TV mount, ensuring your audio always follows your viewing angle.

Designed with ease of use in mind, the AV35-724BL1 offers easy installation. Available in versatile black and white finishes to match your hardware and interior preferences, this mounting solution lets your Sonos soundbar achieve maximum audio clarity and performance.
