Neomounts DS15-545BL1 Tablet holder desk clamp - 4.7-12.9" - universal - full motion - black

The Neomounts DS15-545BL1 is an universal tablet mount for tablets from 4,7" up to 12,9" with a weight capacity of 1 kg. The tablet mount has 3 pivoting points and is ideal for hands-free video calling, watching a movie, playing a game or to use a tablet as a second screen.

The integrated ball joint allows the mount to rotate 360° so you can switch between portrait and landscape position. Additionally, the clever tilt (270°) and swivel (104°) options allow the stand to further change to the ideal viewing angle. Soft rubber pads protect your device from any scratches and the solid base with anti-skid silicon pads ensure solid positioning of your device.
