Neomounts DS60-600BL2V Dual monitor arm - 10-32" - 0-9 kg | 19,8 lbs (2x) - 90° tiltable - 360° rotatable - 160° swivel - VESA 75x75 - Black

The Neomounts DS60-600BL2V is a professional dual monitor arm featuring a solid vertical pole, specifically designed for a stacked screen configuration. This full motion mount supports two monitors up to 32" (9 kg per screen) and offers an impressive height adjustment range of 14 to 83 cm. With versatile tilt (90°), rotate (360°), and swivel (160°) technology, you can effortlessly align your screens for an optimal ergonomic posture.

This model provides maximum installation flexibility, as it comes standard with both a quick-fix desk clamp for edge mounting and a grommet clamp for installation through the desktop. The robust construction ensures a stable base, while the integrated cable management system keeps your workspace tidy. Additionally, the base features a convenient phone slot to keep your smartphone within reach.

The arm is compatible with VESA patterns 75x75 and 100x100 mm. Thanks to the Easy-release VESA system, attaching or switching monitors is quick and simple. The DS60-600BL2V is a durable, high-quality solution for any professional environment or sophisticated home office.
