Neomounts NEXT Slim DS70-250WH2 Dual monitor arm - 17-32" - 1-9 kg/screen (curved 8 kg/screen) - gas spring - 180°-stop - Topfix - Easy Install-model - 100% plastic-free packaging - white

The Neomounts DS70-250WH2 NEXT Slim is a full motion desk mount designed for two screens up to 32", boasting a maximum weight capacity of 9 kg per screen. The versatile tilt (90°), rotate (360°) and swivel (180°) technology enables seamless adjustment to any desired viewing angle to fully optimize the screen's capabilities. With the gas spring height adjustment (21,5-49,5 cm) and depth adjustment (7-52,5 cm) you can effortlessly adjust the mount to suit your ergonomic needs.

The DS70-250WH2 monitor arm features a nifty 180° stop mechanism, that prevents the mount from making contact with wall or separation panel when installed near it, while the integrated cable management system maintains a clutter-free desk.

The elegant black VESA plates of the NEXT Slim provide a perfect match with your screen, accommodating standard 75x75 or 100x100 mm VESA patterns. For non-standard hole patterns, Neomounts has various VESA optional adapter plates available. The Quick-release VESA system enables easy setup, while the topfix clamp or grommet ensures a quick and straightforward installation.

Committed to sustainability, the packaging of NEXT Slim desk mounts is 100% plastic-free and entirely made from recyclable cardboard and paper.
