Neomounts by Newstar Full Motion Desk Mount (clamp & grommet) for 10-32" Monitor Screen, Height Adjustable (gas spring) - Black

The Neomounts by Newstar desk mount, model FPMA-D750DBLACK is a tilt-, swivel and rotatable desk mount for flat screens up to 32". This mount is a great choice for space saving placement on desks using a Topfix desk clamp or grommet.

Neomounts by Newstar's versatile tilt (170°), rotate (180°) and swivel (180°) technology allows the mount to change to any viewing angle to fully benefit from the capabilities of the flat screen. The mount is easily height adjustable from 0 to 31 centimetres using a gas spring. Depth adjustable from 0 to 47 centimetres. An innovative cable management conceals and routes cables from mount to flat screen. Hide your cables to keep the workplace nice and tidy.

Neomounts by Newstar FPMA-D750DBLACK has three pivot points and is suitable for screens up to 32" (81 cm). The weight capacity of this product is 2-8 kg each screen. The desk mount is suitable for screens that meet VESA hole pattern 75x75 or 100x100mm. Different hole patterns can be covered using Neomounts by Newstar VESA adapter plates.

By using an ergonomic mount neck- and back complaints can be avoided. Ideal for use in offices and on counters or in a reception area.

All installation material is included with the product.

<sup>\*</sup>Please note: The inch sizes stated are just an indication, combined with the weight and VESA sizes. The maximum weight and VESA size are absolute restrictions for the products and should not be exceeded.
