EAN code	8717371441975

This Neomounts by Newstar beamer mount pole, model BEAMER-P150, allows you to stretch the distance from the projector mount to the ceiling with 150 centimetres. Ideal with the use of high ceilings for a complete ceiling solution.

This pole is made of aluminium and replaces the original pole which comes with the mount. The diameter is 6 cm. The extension tube is equipped with cable management. Hide your cables in the column to keep it nice and tidy.

Different models and lengths poles available to suit following projector mounts: BEAMER-C80, BEAMER-C80WHITE and BEAMER-C200.

All installation material is included with the product.

*Please note: The inch sizes stated are just an indication, combined with the weight and VESA sizes. The maximum weight and VESA size are absolute restrictions for the products and should not be exceeded.
