### Neomounts NEXT Core DS70PLUS-450BL1 Single monitor arm - 17-49" - 1-18 kg (curved 14 kg) - gas spring - 180°-stop - Topfix - Easy Install-model - 100% plastic-free packaging - black

The Neomounts DS70PLUS-450BL1 NEXT Core is a full motion desk mount for curved ultra-wide screens up to 49". The mount features a strengthened head specifically designed for curved ultra-wide screens and to support a higher maximum weight up to 18 kg (curved 14 kg). The versatile tilt (90°), rotate (360°) and swivel (180°) technology allows the mount to change to any viewing angle to fully benefit from the capabilities of the screen. Additionally, the mount has gas spring height adjustment (26,1-55 cm) and depth adjustment (5,4-49,7 cm), to create the perfect working position.

The DS70PLUS-450BL1 NEXT Core features the nifty 180° stop mechanism, that allows you to safely adjust the mount even when it's placed close to a wall or separation panel without making contact with the wall. The smart cable management system ensures orderly routing of the cables.

The DS70PLUS-450BL1 is suitable for screens that meet VESA hole pattern 75x75 or 100x100 mm. For non-standard hole patterns, Neomounts has various VESA optional adapter plates available. The desk mount is equipped with an Quick-release VESA system and comes with both a topfix clamp and grommet for quick and easy installation.

The packaging of the NEXT Core is 100% plastic free and entirely made from cardboard and paper.

For wall installation, the AWL75-450BL wall adapter is optionally available.
